## T E C H

### 2023-2024

## Esports & STEAM Scholarship

### Important Information

### Background

Application Due Dec 13, 2023  
Awarded Jan 10, 2024

BDJtech is a full-service IT integrator committed to the development of next generation students.

Top 6 submissions receive up to \$3,000 for their program

We have created this scholarship to pay it forward by empowering schools to reimagine the classroom.

Winning program must have a foundation or 501c3 to receive and distribute award

This scholarship will provide students with unique opportunities to expand their learning experience.

## Scholarship Application

1. What is the name of the school and location?
2. Why is your school focused on STEAM or esports? What is the importance of the program and how does it impact your students' overall success?
3. Detail the equipment list you need for the space. It can exceed the scholarship amount.
4. How do you intend to use these items to create or expand your program? How do these items impact the school's 3-5 year plan for the program?
5. What is the name of the person that oversees this program, their background to STEAM or esports, and current role at the school?
6. How will your district technology leader (CTO, director, manager, or tech lead) support this program to help ensure it is successful?
7. Please share any additional information that you think would be helpful for BDJ to know when considering you for the scholarship.

## How to submit the application

The IT leader of the school district should submit the completed application via email to [office@bdjtech.net](mailto:office@bdjtech.net) no later than 11:59pm PST on December 13, 2023.
